TO SEE WHAT IS RIGHT

and not do it, is easier than to fail to see what is right. Even a blind man can see the wisdom of insurance, and the deaf, if they can't hear the third of the uninsured, can at least feel the jar. Insurance and annuity cannot fail, because they are not built that way. 54th year doing business in 55 states.

COATLESS COMFORT GONE.

Chicago Board of Trade Forbids Shirt Waist Attire on Its Floor.

Coatless comfort is a thing of the past on the Chicago board of trade, and the glory of the shirt waist man will no longer grace the whirl of the wheat pit during the extra heated sessions of the summer months, says the Philadelphia Press.

The other day at the opening of the board coats came off, as is usual on a day when the weather is warm. Then the hot wave came in the shape of the floor committee of the board, headed by H. M. S. Montgomery.

The order went out that coats must be donned in the approved style. The room committee and the floor officers hustled all coatless brokers back to the coat room and to perspiring propriety. Then the brokers returned to business sadder but hotter men.
